

Burren Eco Friendly Hotels

If preserving the environment, recycling or conserving energy and water means as much, if not more, to you as getting the best rate or the biggest room when you travel, then visit one of our Burren Eco Friendly Hotels. Whether it's saving water by not having your towels and sheets changed, saving energy by minimising electrical appliances, not having a spa or a swimming pool, making sure their produce is seasonal and ecologically sustainable or simply using recycled paper, you'll find hotels below that care about being green as much as being in the black.
