## **Kenmare Hotels with Log Fires**

Whether you are a fan of Nat King Cole and roasting chestnuts or not, you'll probably still appreciate a blazing fire on a winter's evening and a glass of something warming to keep your spirits up. These Best Loved Kenmare Hotels with Log Fires are big fans too and their version of an open fire range from a comfortable inn's hearth to the gaping maw and burning blaze of a full-blown castle's stone fireplace.
